ANNOUNCEMENT

Dear friends,

I am pleased to announce that my son Dustin Pelletier has purchased our concrete pumping division from Action Concrete Contractors, Inc. He has had the responsibility of managing this business for the past several years, opening offices in Knoxville, Huntsville and Birmingham, and has done a great job.

As of November 1, 2010 all concrete pumping should be scheduled with his new company, **Action Concrete Pumping, Inc.** This new company will still have the same great team of managers, operators and equipment to serve you in all of our locations.

Action Concrete Contractors Inc. will continue to provide excellent service as a poured-in-place concrete wall and foundation contractor for both commercial and residential construction.

Here is the NEW contact information for **Action Concrete Pumping Inc.** Please feel free to call them or call me if you should have any questions about this exciting change.
